There is a copy of this in your Student Handbook and at http://www.ntu.ac.uk/current_students/resources/student_handbook/appeals/index.html.

A request may only be made on the grounds listed, which specifically exclude disagreement with the confirmed assessment marks or degree classification awarded. Any request for reconsideration must be received within 10 working days of despatch of this notification of results, using the form specified in the appeals procedure documentation.

The award ceremony invitation of a final year student requesting re-consideration is automatically withdrawn pending the outcome of the request.

You'll need to enrol each year you are at NTU. This will mean you can access email, buildings, timetables and it may entitle you to council tax exemption.
